

PRODUCT DISCONTINUATION NOTICE

The production of the following product line has been discontinued

H-SERIES MILLIVOLT Gas heaters.

Environmental and regulatory issues have necessitated a change in the gas heater design.

These heaters are used primarily in Canada and other parts of the world. A gradual phase out has been in process but Hayward has decided that the product has come to the end of its life cycle. Both natural gas and propane versions have been discontinued.

**Discontinued from:
FEB 2020**
